since 1976, our "big dummy's" manual of cb repair has ... - really doubt they've had their hands on as many real cb radio antennas and installations as i have. the myths about this least understood area of cb radio will be exposed at last. my personal experience in repairing over 2,000 cb radios has shown that about 75% of all problems are not even in the radio; they're almost always caused by bad mikes and bad antennas.
